**Subject :** INTRODUCTORY LETTER taking an opportunity for presentation and consideration of our Product Name – “SLN Smooth Life Nutrients” ; Category – “Nutraceutical Supplement” ; Brand Name – “THE HEALTHMAN” for the real, sustainable and almost all round health benefits to the masses of all fields.

Kind Attention :

Dear Sir/Madam

In view of rapidly increasing number of patients/subjects (many of whom starts falling ill even in childhood or in their young ages) suffering from life style associated and unsafe food related clinical problems in this difficult and suffocated atmosphere of confusion, uncertainty and abstinence about what to eat or what not to eat, we therefore, lending a helping hand to the masses across the world, have responsibly, effectively and strongly come forward with a presentation of an unprecedented and novelty product necessarily supposed to be inducted in everybody's daily meal planning on the basis of its purity, quality and effectiveness (to be administered 3 gm a day for children over 5 years of age and 6 gm a day for elders over 12 years of age consecutively for 2 days and one day gap thus 20 doses a month and so on).

This is a dry powdered composition made of highly nutritive ingredients of nature in which no synthetic chemical is used as our body is made of only natural chemicals and requires also natural chemicals through natural ingredients simultaneously in addition to other clinical remedial measures according to Mix & Match principle which is talked also in medical fields.

Regular Intake of this product significantly helps improve excretion of eaten stuff and drains out produced waste product and trapped contamination cleansing the body in the due course of time thus, develops a NUTRITIONAL STATUS in us and this favorable condition, when achieved by regular Intake of our product for a suitable span of time to one's satisfaction, does not let our God Gifted Reserves of Immune System empty and we gradually start remaining free from taking costly medicines, drugs and tonics in future keeping our body ready to enjoy even delicious dishes of our preference, interest and choice. Then our Immune System remains maintained automatically and keeps our body fit for.
